by deleting the language "The department of transportation may receive this compensation in the form of money or in the form of telecommunications facilities and services, or in some combination thereof, as the department may determine." and by substituting instead the following:

The department of transportation shall receive this compensation as determined by the advisory board in accordance with subsection (d).

AND FURTHER AMEND by deleting the language "Any compensation received is to be used by the department solely for constructing, operating and maintaining an 'Intelligent Transportation System.'" and by substituting instead the following:

Any compensation received is to be used by the department solely for constructing, operating and maintaining an "Intelligent Transportation System" and radio communications facilities for use by the state.

AND FURTHER AMEND by deleting the language "The Governor shall appoint one (1) telecommunication industry representative representing a facilities-based competing telecommunications services provider doing business in the state, the speaker of the senate shall appoint one (1) telecommunication industry representative representing an incumbent local exchange carrier doing business in the state, and the speaker of the house of representatives
